

CHURCH NEWS
First Church of Christ, Scientist, Vero Beach

JUNE 2019

Dear Members,

We hope to see you on Monday, June 3rd for the viewing of The Mother Church Annual Meeting. If you'd like to bring a brown bag lunch, we can gather in the church foyer about 12:00 Noon.

The Family and Faith 100 years celebration on Sunday, May 26th was enjoyed by our members that turned up to help man our table. Thank you to Jill Ferrie, Chairman of the Lecture/Outreach committee for organizing everything before she left to head north, and many thanks to Joy Heinlein, Rayma Murray, Melissa Webster, Dianne Lowe and Jim, Lee Day, Bob Loudon, Meg Siung, Holly, Joy's daughter and Nic, Joy's grandson for all their help and joy expressed at our table. We gave away Science and Healths, Bibles, Little Children's Prayers, Big Children's Prayers, Children's books, "My little book about prayer" and My little book about God" "Big with Blessings" and "Travis walks with God", the pamphlet "What is Christian Science" and other Pamphlets, Church

information handouts, and many of Jill's book "I go with God". Parents and grandparents enjoyed accepting her book.

The Reading Room was going to suspend the metaphysical gatherings for the summer and study the Manual of The Mother Church, but many of you asked the Librarians to continue, so they will be having a meeting on July 9th, at 11:00 AM and the study subject will be "A Rule for Motives and Acts" Article VIII "Guidance of Members, found in the Manual of The Mother Church, page 40, happy studying.

The Church Directories have been completed and are on the table in the foyer. Most of you have picked up your copy. Those members who are up north, if you would like me to mail your copy to you, let me know and I will be happy to do so.

Chairmen, please check your committee and have a meeting whenever possible. Thank you all for your willingness to serve our church family.

Last but not least, please remember to turn your cell phones off completely during services.
