**Metaphysical Committee** is working with Hymn 196, 2nd verse. We too can support their work:

“Let all that now divides us Remove and pass away,  
Like shadows of the morning Before the blaze of day.  
Let all that now unites us More sweet and lasting prove,  
A closer bond of union, In a blest land of love.”

**Reading Room:** The Board and the Librarian are lovingly asking everyone to not remove anything from the Reading Room without advising an attendant or an usher. If you use any materials during your visit, please return them before you leave. Sentinels and Journals are placed out for those who come in to read and study, and should not be removed. But, they can be purchased if you want to take them home. The Lending Library is open at the same hours as the Reading Room and includes many books that can be borrowed and taken home. Thanks for your cooperation.

**Visit the Bulletin Board:** The Bulletin Board is wealth of knowledge. Items that we do not announce from the desk are placed there. You can find information on lectures and on how to access them online. There is a great deal on Christian Science nursing facilities and Visiting Christian Science nurses. The Principle Foundation flyers are also available on the bulletin board for those who might need nursing or financial help.

There are always requests for benevolence from other Christian Science organizations and our local community. You can find these on the Bulletin Board as well as in the yellow folder on the desk in the lobby. Hope you will take time to visit.

This month's inspirational article is from the [January 1991 issue](#) of The Christian Science Journal written by Emilio Angelo Eduardo Castroman:
