First Church of Christ, Scientist, Vero Beach

DECEMBER 2022

Dear Members,

*MERRY CHRISTMAS AND A HAPPY
NEW YEAR*

The Metaphysical Committee invites you to continue to support their work. This month its Christmas: Quoted from Joy's email:

“Lets read and ponder *A Christmas Sermon* written by Mary Baker Eddy and found in *Miscellaneous Writings* Pages 161-168.

This sermon gives us a new appreciation of the man Christ Jesus and the great gift he gave to us and the world. This gift of the Christ Truth is new every day and never gets old. This precious gift doesn't need mailing or wrapping. It is also a gift that blesses and heals and we can share with our families, friends and neighbors.

“Joy to the world, the Lord is come” Hymn #417
Christmas Blessings and love to all.
