

CHURCH NEWS  
First Church of Christ, Scientist, Vero Beach

DECEMBER 2023

Dear Members,

**MERRY CHRISTMAS SEASON**

**The Metaphysical committee: .**

The Metaphysical Committee invites everyone to continue our study of the Christian Science textbook with the chapter **Science of Being**. This study is blessing ourselves, our church, our community and our world. It is a gift we can freely give.

This is a final reminder for our Hymn Sing on Sunday, December 10th right after our service, we hope you will all attend. Afterwards we will meet in the Sunday School/Reading Room area for refreshments. Please feel free to bring any of your favorite finger foods, sweet or savory, to share and let Betsie Tegtmeyer know what you are bringing

The Reading Room will be closed on Monday, December 25th for Christmas Day and on Monday, January 1st, 2024 for New Years Day

The Board is informing the membership that we have had a problem with the homeless sleeping on our ramp and in our doorways. We have filed an trespassing affidavit with the police department which gives them the right to cite them for trespassing without our having to press charges. Also if anyone encounters an individual, please do not approach them, just call the police and let them handle the situation. Thank you.

As always, please remember to turn your cell phones off during services.

With loving best wishes,
