

CHURCH NEWS
First Church of Christ, Scientist, Vero Beach

FEBRUARY 2021

Dear Members,

LECTURE REMINDER: Our lecture this year is on Saturday, March 13th at 11:00 AM, and will be a live web lecture via live video stream, viewable on our church website vbcschurch.org. Our lecturer is Nate Frederick, a member of the Christian Science Board of Lectureship in Boston MA. The title is "Learn to Pray and Heal - a Spiritual Adventure." Our lecture preparatory meeting will be held on Monday, March 1st immediately following our Bi-annual membership meeting. We hope you will do all possible to attend.

We will be live streaming the lecture in our Reading Room on March 13th at 11:00 AM, for members, attendees, and guests who do not have a computer at home on which to view the talk. The Reading Room will be set up with seating for social distancing.

The Reading Room will be closed on Monday, February 15th in observance of Presidents' Day

Members, the Bulletin Board in the foyer is full of many gems of information about several Christian Science and local non-profit organizations who need benevolence. Please have a look.

The Inspirational article this month is from the *Christian Science Sentinel*, October 1918, written during the Spanish Flu epidemic.
