First Church of Christ, Scientist, Vero Beach

JULY 2021

Dear Members,

Just a reminder, our Reading Room hours for the summer till October are Mondays and Tuesdays from 10:00AM - 12:30PM and on Wednesdays from 3:00PM - 5:15 PM. The Reading Room will be closed on Thursdays and Fridays.

The Reading Room will be closed on Monday, September 6th, 2021 in observance of Labor Day.

Rockhaven, a residential living facility for Christian Scientists over 55, would like us to know about who they are. It's located in the active town of Glastonbury in central Connecticut, and there are eighteen independent apartments. For more information, visit their website: rockhavenhome.org. There is also a flyer on our bulletin board.

There are many ways to give to our Christian Science camps and facilities, and of course to our community. Please check our bulletin board and the yellow folder on the table in the foyer for a list of places you might like to give much needed benevolence.

We are so grateful for our members who are here during the summer months. Thank you for working for our church and doubling up on our committees to keep our services running smoothly.

Our inspirational article this month:

As always, please remember to turn your cell phones off completely during services.

Thank you.
