First Church of Christ, Scientist, Vero Beach

JUNE 2020

Dear Members,

Our Directories have been published and have been picked up by our members who are here in Florida. If any of you would like to have your copy mailed to you, please let our Clerk know. Remember, all new committees took effect June 1st, 2020 and will end May 31st, 2022

Our Reading Room is also up and running Mo, Tu, Th, and Fr, 10:00 - 12:30 PM and We 3:00 - 5:15 PM, we invite you to come in and study in a really quiet atmosphere. The Librarian is hoping for two support workers on Wednesdays and Thursdays, as the regular support workers are helping at the desk since Jane resigned as co-Librarian. In all the health situation lockdown, I am afraid that Jane was not properly thanked for her willing, diligent and efficient service as co-Librarian for the past few years. Jane please know that you were truly appreciated then and now by our church family for your service to the Reading

Room and all the wonderful articles that you researched and printed for everyone. Thank you.

Thank you to the Metaphysical committee for their diligent prayerful work with our outreach in praying for our Church, community and the world during these challenging times. We invite all our members to join the committee in supporting their prayerful metaphysical work. Some fruitage to report: last Thursday the committee was asked to pray about a protest that was going to be held a block from our church. They took up the work right away, and we are grateful to report that the protest was peaceful.

The Mother Church Annual Meeting was viewed in our Reading Room last Monday by seven of our members and two friends, what a wonderful meeting. They will have it available to be viewed for awhile longer. They wrote to everyone who subscribes to receiving their newsletters, if anyone does not subscribe, and wants to view the meeting, the Clerk can forward the email to you.

The Reading Room will be closed on Friday, July 3rd in observance of Independence Day.
