

CHURCH NEWS
First Church of Christ, Scientist, Vero Beach

JUNE/JULY 2022

Dear Members,

We sent out a letter asking the membership to make sure that our doors to the outside are locked whenever you come in to church or are leaving. Please be diligent about this. The west door to the Sunday School/ Reading/Office area needs to be doubly checked. It is not working as it should. Thank you .

Metaphysical Committee invites all members and attendees to join with them in their July topics.

The subjects are:

1. Read and ponder “Seedtime and Harvest” on page 8 in Unity of Good found in Prose Works by Mary Baker Eddy.

2. Weather: This is an ongoing summer topic:

S&H Page 192: 17-21

Luke 8: 22-25

Hymn 492

These are suggestions for starters.

3. Include the chapter Fruitage (found at the end of S&H) in your study. There are so many wonderful demonstrations and healings simply by reading our textbook

Thank you for joining in their healing work.

The Church Activities Department of The Mother Church sent out an email to members around the world. If you did not receive it, a copy is on the Bulletin Board. Quoting from their email, they are “spending the next couple of months reaching out to every branch in the world to make a deeper connection and to better understand how The Mother Church can be helpful in supporting your activities. If you are interested in setting up a call with us, please send an email, call +1-617-450-2390, or send a WhatsApp message to +1-617=450=2390. Feel free to invite anyone from your branch who would be interested in sharing ideas with us. We look forward to talking with you

With much love and gratitude
The Church Activities Department”

The Mother Church is “also updating the online presentation of The Christian Science Journal Directory to include photos of Christian Science branches, reading rooms and Christian Science nursing facilities — making it easier for users to find and recognize your building.” Thank you to Jill Ferrie, this has been done for our church.

As always, please remember to turn your cell phones off during services.

With loving best wishes,
