MARCH 2021

Dear Members,

A lovely item for us all, Mary Baker Eddy's house in Lynn, MA, has been designated a National Historic Landmark. Hurray!!

First Church of Christ, Scientist, Concord, New Hampshire, has sent us a letter about the progress in restoring their church edifice. There are a few more projects to be completed. Their letter is posted on the bulletin board. One of the projects is to restore the stained glass windows that Mrs. Eddy gave to their church.

The Leaves of Richardson, Texas, has asked us to pray with them to support The Leaves, the community, the country and the world. Their prayer topic for March "he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doth shall prosper." 1John 4:7. They ask you to read the Christian Science Journal's article titled "Understanding is an Ever-Bubbling Spring"

Remember the quiet time during the Prelude and Postlude of our service, not only out of respect for our Zoom attendees, but also for those present who come in early to prepare their thought for the sermon. Thank you.
