First Church of Christ, Scientist, Vero Beach

MAY 2022

Dear Members,

We are saying goodbye to our snowbird members, have a wonderful summer, we will miss you.

**Metaphysical Committee** is working with an article from the May 9th 2022 Sentinel by Elizabeth Schwartz titled “Why go to church?”

Church “helps to keep us from being uprooted by the challenges that come” and “Involvement in and support for church activities bolsters and upholds receptivity in our thought to the power and presence of the Christ.”

### [Why go to church?](#)

These are quotes from the article which can be accessed in the link below, or found in our Reading Room. This is the committee’s focus for May. They are also continuing to support world peace with love for all mankind, “may thy word enrich the affections of all mankind and govern them” (*Daily Prayer* found in the church Manual by Mary Baker Eddy).

Monday, May 30th the Reading Room will be closed in observance of the Memorial Day holiday.
