First Church of Christ, Scientist, Vero Beach

MAY 2023

Dear Members,

“We must rejoice that our God is good, universal and eternal.....Lean on Him, trust Him, understand Him, and He will give you the foresight, wisdom, and capacity to execute His will and benefit His Cause.” Mary Baker Eddy from a letter of Mary Baker Eddy dated 1907, printed in the February 6th, 1937 issue of the Christian Science Journal

**Metaphysical committee: Study for May, 2023**

“Our prayer assignment for May is to study and ponder the chapter on Marriage in our continuing read of our Christian Science textbook. In a direct quote from the front page of the full text Quarterly:

‘.....This direct approach of study encourages us to read straight from the source to better understand God, Christ, ourselves, and the world around us, making Christianity as Jesus taught it practical today.’

So carry on dear effectual, fervent metaphysicians. Your prayers are so important for our world today and they are making a difference.

God bless you all,  
With love and gratitude for your good work.”
