NOVEMBER 2021

Dear Members,

We hope that you are enjoying your study of Mary Baker Eddy's book "Rudimental Divine Science" as requested by the Metaphysical Committee. We have had a few inspiring testimonies at our Wednesday evening meetings as a result.

Our Librarian has advised that the Reading Room staff is re-reading and studying the Platform found in Science and Health by Mrs. Eddy, Page 330:11 - Page 340, for the month of November, and she asks that the membership support this endeavor as well.

We received a letter from Daystar, Inc. advising that they have withdrawn from Medicare. Quoted from their letter “We wish to assure you that, as a benevolent organization, Daystar will always provide care to those relying on God for healing. In addition, The National Fund for Christian Science Nursing provides financial support for both patient care and practitioner support” The letter is on the bulletin board.

The Principle Foundation runs the National Fund for Christian Science Nursing and they have a new service “Caring for Christian Scientists”. This is a service “that provides information, ideas, and resources to help meet the practical needs of Christian Scientists”. There are brochures on the bulletin board. Please help yourself to a brochure.
