

CHURCH NEWS
First Church of Christ, Scientist, Vero Beach

NOVEMBER 2022

Dear Members,

Happy Thanksgiving, what a joyous way to start the holiday season. We are so happy and grateful to see our snow birds returning, so good to see you all.

The Metaphysical Committee invites you to support their work with the new subject for November: **Gratitude**. Joy, the committee chair, has asked that the committee and you all, “study the Thanksgiving lesson found in the back of both the full text and the regular Quarterly. Ask yourself how can I apply these healing ideas to myself, my family, our church, our community, government and our world.

Hymn #3

“A grateful heart a garden is,
Where there is always room
For every lovely, Godlike grace
To come to perfect bloom”

Thank you for your powerful prayers. Enjoy this study.

Our Christmas Hymn Sing will be held immediately following the Service on Sunday, December 11th in our church, and after, light refreshments will be served in the Reading Room. Please think about what you might like to share, and let Betsie know what you are bringing. We look forward to seeing you there. All are welcome!

Our Thanksgiving service will be held in this church next Thursday, November 24th at 10:00 AM. Please join us and invite your family and friends. We look forward to seeing you.

Meeting Reminder: The Election meeting will be held on Monday, November 21st at 10:00 AM. Mark your calendars and please do all possible to attend this important meeting.
