First Church of Christ, Scientist, Vero Beach

OCTOBER 2021

Dear Members,

The Reading Room will be closed on Monday, October 11th, 2021 in observance of Columbus Day.

A great big thank you to our members who consistently send in their monthly contributions even when they are letting their light shine in other states during the summer months. We are forever grateful.

Please remember that our Bi-annual Membership meeting is on Monday, October 18th at 10:00 AM and our Election meeting is on Monday, November 15th at 10:00 AM. Please do all possible to attend as there are important items that need your attention and on which we need to vote.

JSH-Online is the official website of *The Christian Science Journal*, *Sentinel*, and *Herald* and you are invited to come into our Reading Room where you can access a wealth of articles, testimonies, podcasts and more. Or just find a quiet place to study and support our church and our Vero Beach community. Hope to see you there.

The metaphysical article this month is from the Sentinel Watch podcast series:

[Where is God when bad things happen? Part 1: The basics](#)
