First Church of Christ, Scientist, Vero Beach

OCTOBER 2022

Dear Members,

The Metaphysical Committee invites you all to keep studying with the September topic: “God’s government.” Read the message below from the metaphysical committee chair:

Isa 33:22 ‘The Lord is our judge, the Lord is our lawgiver, the Lord is our king. He will save us.’

S&H p 542:29-21: ‘Let truth uncover and destroy error in God’s own way and let human justice pattern the divine.’

My. 222: 25-28: ‘Mankind will be God governed in proportion as God’s government becomes apparent, the Golden Rule utilized, and the rights of man and the liberty of conscience held sacred.’ “

Hymn 83: God made all His creatures free;
Life itself is liberty;
God ordained no other bands
Than united hearts and hands.
(all 3 verses)

Thank you for your “effectual, fervent prayers” .

With love and gratitude for each of you.

Updating/Repairing/Carpeting our church sanctuary. The House and Grounds committee reports that the drywalling has been done, painting is now in progress, and the carpeting will be installed next week. If you don't already know, last week we held our Sunday service and Wednesday testimony meeting in the Reading Room/Sunday School area of the church. Hopefully the carpeting will be done by Sunday 23rd. We will be meeting in the Reading Room until further notice. We are grateful to our Readers and Music committee members for being flexible in conducting our services with harmony.

The Principle Foundation offers financial assistance to Christian Scientists who need care, housing, or other resources. Brochures with updated information are on the bulletin board in the lobby. You will also find information about their website www.RiperYears.org for senior Christian Scientists. There is information about hurricane relief assistance and Christian Science nursing. Hope you will check our bulletin board.

Our Thanksgiving service will be held in this church on Thursday, November 24th at 10:00 AM. Please join us and invite your family and friends.

Third Church of Christ, Scientist, Miami, invites you and your family and friends to their lecture entitled "*Finding Joy Health Hope for All*" by Steven Salt CSB to be held in person, on line, and by telephone on Sunday, October 23rd at 2:00 PM. Flyers with information on how to join are on the Bulletin board in our lobby.

The Mother Church: Reminder: the Annual Meeting replay is now available in English, French, German, Portuguese, and Spanish at christianscience.com/annualmeeting and on our website vbcschurch.org/events.

Meeting Reminder: Our Election meeting is on Monday, November 21st at 10:00 AM. Please mark your calendars!

The Christian Science Monitor: A new and deeper approach to reporting is being conducted by the Monitor. The Clerk is forwarding three emails which we received from Kim Proctor, Project Manager, Amelia Newcomb, Managing Editor and Taylor Luck, Middle East Correspondent, to the membership. They all ask you to explore the new **News & Values Hub** button on the csmonitor.com website. Enjoy!

This month's inspirational article:

[Rebuilding our concept of Church](#) by Ariana Herlinger From the [September 2022 issue](#) of *The Christian Science Journal*.

Another Reminder: Please check our bulletin board in the lobby and the yellow folder on the table. There are several Christian Science items that you may find interesting and requests for benevolence. One item you may not know about is, did you know that some of the Christian Science Camps hold sessions for adults during summer, and even Christmas time camps? and that the Campership Fund helps with finances to attend? So don't forget, check it out!!!

As always, please remember to turn your cell phones off during services.

With loving best wishes,
