First Church of Christ, Scientist, Vero Beach

OCTOBER 2020

Dear Members,

Here is a timely inspirational article for our upcoming election, for our country and our church.

[How can we shore up ‘the promises of democracy’?](#)

Bill Moody interviewed by the Journal’s Rita Polatin

As advised in our July Newsletter, The Leaves in Richardson, Texas invited our members to join with them in praying on a specific topic every month. They have advised this month’s topic is:

“Fear not: for I have redeemed thee, I have called thee by thy name; thou are mine.
Since thou wast precious in my sight, thou has been honourable, and I have loved thee:”
(Holy Bible, Isaiah 43:1, Fear, 4, to :)

Just a note to let you all know that our church has changed its internet and phone provider from AT&T to Comcast. Our email and phone number remains the same.

We are in need of an ACOP representative for our church. We hope our members will think about this as each church is supposed to have an ACOP. We contacted the COP for Florida, Sandy Clark and she advised that we didn't have to do it right away, but that eventually we would have to make an appointment.

The Lecture/Outreach committee is making plans for our 2021 lecture and are considering hosting a Web lecture. We will report more news as they make a decision.

Please remember our Bi-annual membership meeting on this Monday, October 19th at 10:00 AM and our Election meeting on Monday, November 16th at 10:00 AM. Please do all possible to attend so that we have a quorum

Remember to turn your cell phones off completely during our services.
